PROFESSIONAL SUMMARY

Motivated and adaptable software developer with hands-on experience in real production environments. Passionate about backend development and tooling with practical experience in Go, REST APIs, and TypeScript. A fast learner who thrives in fast-paced, demanding environments and is committed to writing clean, reliable code. Eager to contribute meaningfully to a professional engineering team and consistently push beyond current skill levels to grow as a developer.

SKILLS

Languages

Go, TypeScript, JavaScript, C

Tools

Git, Bash, Docker, Make, Linux terminal

Concepts

RESTful APIs, JSON, EDA architecture

WORK EXPERIENCE

Intern Software Engineer - Epignosis Learning Technologies

EDA Team | 2025

Sep 2025 - Dec 2025

- Built automation around a code generator producing Zod validators and Athena migrations from event files.
- Improved schema consistency and reduced repetitive manual work for backend engineers.

PROJECTS

Femus | Web Application | [Github Link](#)

Go, WebSockets, SQLite, React

A full-stack social media networking platform

Mar 2026 - May 2026

Vacation Portal | Web Application | [Github Link](#)

JS, HTML/CSS, SQLite, React

Full-stack app for submitting and approving employee vacation requests with role-based access.

Jun 2025 - Jun 2025

ATM Management System | TUI | [Github Link](#)

C, SQLite, Docker

Go server, consuming external APIs with concurrent processing using goroutines.

Nov 2024 - Jan 2025

HACKATHONS

Hack the base CTF | Supabase

Placed 16th internationally

Dec 2024

EDUCATION

Zone01 Athens - Software Engineering Program

Full-time program with gamified, project-based learning

Focus on algorithmic thinking, real-world projects, and peer-to-peer collaboration

Sep 2024 - Present

Public Institute of Vocational Training of Agioi Anargyroi - Kamatero

Web & Game Development and Design

Studied web technologies, basic game development, and digital design

Engaged in group projects and client-oriented thinking

2022 - 2024

Music High School of Ilion

High school diploma with specialization in music

Graduated 2022
